

Affiliate Membership offers universities with programs in clinical and basic tropical medicine, infectious diseases and global public health the opportunity to join and lend their voice to a Society that is a leader in its field. Affiliate membership is particularly focused on bringing together undergraduate and graduate students, postdocs, medical residents and fellows in these programs so that they can take full advantage of all that ASTMH offers. Please email [Buffy Finn](mailto:buffy@astmh.org) for more information.

Benefits of University Affiliate Membership:

- Membership for the designated university faculty member, program director, or NGO representative
- Membership for *up to* 15 undergraduate or graduate students, postdocs, medical residents or fellows
- Sharing in the Society's non-partisan, fact-based messaging to elected and appointed US government health officials and thought leaders
- Access to networking opportunities with individuals, university and organizations devoted to a global health equity agenda
- Linkages with other affiliates under ASTMH leadership in advocacy for research, programs and funding in tropical medicine/global health
- Affiliate members will be listed on the website

Benefits of Individual Membership in ASTMH:

- Free access to *GOTropMEd*, the ASTMH Global Online Tropical Medicine Education Website
- Free membership in one or more of the following subgroups:
 - Arbovirology (ACAV)
 - Clinical Tropical Medicine and Travelers' Health (ACCTMTH)
 - Global Health (ACGH)
 - Molecular, Cellular and Immunoparasitology (ACMCIP)
 - Medical Entomology (ACME)
- Reduced registration fees for the Annual Meeting and other courses
- Free digital access to the *American Journal of Tropical Medicine and Hygiene (AJTMH)*
- Reduced page charges for publication in *AJTMH*
- Access to online resources, including all sessions to the Annual Meeting and webinars
- Eligibility for member-only travel awards and research awards

Annual Dues:

Universities including university programs, NGOs, and professional societies in High-Income Countries:
