Regular Membership

\$250

Includes voting privileges, ability to hold office, reduced member rates for the Annual Meeting and other events. Non-U.S. members are encouraged to vote and run for office.

Student Membership

\$15

Available to full-time undergraduate and graduate students in the fields of global health, international health, tropical medicine or a related discipline.

Lifetime Membership

\$4,600

Includes all membership privileges for a lifetime.

Regular Membership Low and Low-Middle Income Countries

\$25

Includes all member benefits as listed for Regular Membership. Open to all citizens and legal residents of said countries and currently residing in their country of citizenship, as listed on the ASTMH website.

Post-Doctoral/Resident/Fellow Membership

\$25

Available to full-time post-doctoral students, medical residents and fellows pursuing studies in the fields of global health, international health, tropical medicine or a related discipline.

Emeritus Membership

FREE

Available after 15 years of continuous active membership and retirement from active work in tropical medicine.

“Especially for international members, access to like-minded colleagues through the *Journal* and Annual Meeting is an incredible opportunity for learning, collaboration and networking.”

– Abdoulaye Djimde, PharmD, PhD,
University of Science, Techniques and Technologies of Bamako, Mali

Join the largest international scientific organization of experts dedicated to reducing the worldwide burden of tropical infectious diseases and improving global health. We accomplish this through generating and sharing scientific evidence, informing health policies and practices, fostering career development, recognizing excellence, and advocating for investment in tropical medicine/global health research.

Advancing Global Health Since 1903

Annual Meeting

BE AT THE FOREFRONT

The Annual Meeting is a dynamic international forum for the exchange of the latest scientific and clinical advances in tropical medicine/global health. It draws over 4,000 professionals representing academia, government, non-profits, philanthropy, NGOs, industry, military and private practice.

Journal

LATEST SCIENCE AT YOUR FINGERTIPS

All members receive free, digital access to the *American Journal of Tropical Medicine and Hygiene*.

Education

STRIVING FOR EXCELLENCE

- ▶ Sit for the Certificate of Knowledge in Clinical Tropical Medicine and Travelers' Health Examination (CTropMed® Program). The CTropMed® program recognizes individual excellence in training and knowledge in clinical tropical medicine and travelers' health.
- ▶ (Limited to members) Apply for the FASTMH for recognition of sustained professional excellence in tropical medicine/global health, hygiene and related disciplines.

Networking

BUILD YOUR PROFESSIONAL NETWORK

Connect with respected leaders in the field. Whether in person at the Annual Meeting, through the Society's five subgroups or social media, members stay in touch to share the latest data, engage in scientific discourse and collaborate on Society activities.

Advocacy

MAKE YOUR VOICE HEARD IN WASHINGTON, DC

ASTMH advocates for strong U.S. funding for and adoption of evidence-based policies that promote tropical medicine/global health.

ASTMH: YOUR PROFESSIONAL HOME

All members receive reduced rates to attend the Annual Meeting, Pre-Meeting Courses, the Update Course and to sit for the CTropMed® examination.

Very low membership rates for early career and Low/Low-Middle Income countries.

“The Annual Meeting is one of the best out there for clinical parasitology and entomology.”

– Bobbi Pritt, MD, Mayo Clinic, Rochester

“The single most important organization for professionals in infectious diseases of the tropics, global public health, and basic and applied research on tropical disease-causing organisms and their hosts.”

– Timothy P. Yoshino, PhD, University of Wisconsin-Madison, School of Veterinary Medicine
