

## Elsevier-ASTMH Clinical Research Award

Sunday, November 13, 2016, 12:00 noon - 3:15 pm

Marriott - Room A706

This award recognizes excellence in clinically-oriented research presented by students (within six months of completing, undergraduate or master's level training, including medical undergraduate degrees) or those in graduate medical training, of work submitted and presented (oral or poster) at the ASTMH Annual Meeting. Support these young scientists by attending their presentations during this session.
