WHO WE ARE

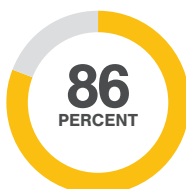

The American Society of Tropical Medicine and Hygiene, founded in 1903, is the largest international scientific organization of experts dedicated to reducing the worldwide burden of tropical infectious diseases and improving global health. We accomplish this through generating and sharing scientific evidence, informing health policies and practices, fostering career development, recognizing excellence, and advocating for investment in tropical medicine/global health research.

ANNUAL MEETING

SPONSORSHIP PACKAGES

Sponsors of the 2018 Annual Meeting will be offered first right of refusal for the same level they engaged last year. Sponsorship options released from first rights of refusal will be made available to all vendors when the Exhibit, Sponsorship and Support Prospectus is emailed. At that time, all sponsorship opportunities will be assigned on a first-come, first-served basis.

Select one of the established levels of sponsorship or contact Brenda Howe at bhowe@astmh.org to discuss a level customized to meet your specific outreach objectives.

All Sponsorship Packages Include:

Marketing Mailing List:

- One-time use of pre- and post-registration mailing lists in Excel format, excluding registrants who opt to not be included (excludes email addresses, per Society policy)

Your Logo:

- On general meeting signage in the exhibit hall area
- In Annual Meeting pocket guide (schedule)
- In monthly e-newsletter

Acknowledgment:

- In print program distributed at the meeting (logos not included due to ACCME guidelines)
- Hyperlink on the Society's website
- Via social media outlets (Facebook and Twitter)
- On promotional slides shown throughout the meeting
- On the meeting app

EXHIBIT HALL LUNCH

This is an excellent sponsorship opportunity as it's the meeting place for all attendees to make contacts and for previous attendees to reaffirm existing contacts. All attendees will enjoy a light lunch in the exhibit hall and will have your logo placed in everyone's hand with branded break items such as coffee cup sleeves and napkins.

“Lots of different exhibitors, many of whom were very knowledgeable, made for interesting and informative interactions.”

Friend of ASTMH/General Meeting Sponsorship (Under \$5,000)

Government agencies, foundations, laboratories, universities, companies and others with an interest in supporting the ASTMH Annual Meeting may provide an unrestricted donation. These contributions cover non-CME expenses not related to a specific event or item at the meeting. Sponsors are recognized on all general meeting signage and in the print program. Per continuing education guidelines, sponsors may not direct the content or planning of any educational session. Specific product logos are not allowed; only organization logos will be permitted where appropriate per ACCME guidelines.

ASTMH follows all rules and regulations of ACCME

As a general rule, logos are only permitted if a sponsor is not considered a commercial interest by ACCME and logos cannot be used in acknowledgment of the sponsorship with CME materials or in sessions.

ANNUAL MEETING

Disclaimer: Sponsored Symposia are held at the ASTMH Annual Meeting venue, but are not recognized as part of the CME content.

STUDENT WINE AND CHEESE RECEPTION

Very popular with students, post-doctoral fellows and residents. Don't miss an opportunity to have the future of ASTMH see your company's name and logo prominently displayed at this event!

“As an exhibitor, I found it valuable to be able to talk with attendees we may not usually reach about our work.”

— 2018 Annual Meeting attendee

ANNUAL MEETING

PRE-MEETING COURSE SUPPORT (CME*)

Prior to the start of the Annual Meeting, ASTMH offers four Pre-Meeting Courses that address clinical, parasitology, arbovirology and global health topics.

- **Clinical Pre-Meeting Course – Tropical Diseases Encountered in Non-Travel Clinics**
Wednesday, November 20, Noon – 5 p.m.
- **Parasitology Pre-Meeting Course – Imaging Parasites from Single Molecules to Entire Organisms**
Wednesday, November 20, 7 a.m. – 5 p.m.
- **Global Health Pre-Meeting Course – Field Applications for Stopping Infectious Disease Threats at International Points of Entry**
Wednesday, November 20, 7:15 a.m. – 4 p.m.
- **Arbovirology Pre-Meeting Course – Arbovirotics: How ‘omics’ Technologies are Advancing Arbovirus Research and Control**
Wednesday, November 20, 7:30 a.m. – 4 p.m.

Note: Pre-Meeting Course times are tentative and subject to change.

Pre-Meeting Courses offer you the chance to have exclusive visibility with a targeted audience prior to the opening of this busy meeting. It is your chance to develop closer relationships with this group of dedicated tropical medicine global health professionals. Demonstrate your support for ASTMH education aimed at clinicians, molecular biologists, arbovirologists and/or global health scientists before the full Annual Meeting program begins.

Benefits Include:

- Acknowledgment on course signage (+logos not included)
- Acknowledgment in print program distributed at the meeting (+logos not included)
- Acknowledgment in meeting app
- Logo in Annual Meeting pocket guide (schedule)
- One-time use of pre- and post-registration mailing lists in Excel format excluding registrants who opt to not be included (excludes email addresses, per Society policy)

Sponsor: \$10,000 (per course)

Co-Sponsor: \$2,500 (per course)

Note: ASTMH reserves the right to offer multiple, non-competing organizations the opportunity to sponsor the same event and/or course.

*Continuing Medical Education (CME) Accreditation:

ASTMH is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. Support should be considered an unrestricted educational grant. ASTMH maintains control of all educational content.

+ASTMH follows all ACCME guidelines:

Logos are only permitted if a sponsor is not considered a commercial interest by ACCME and logos cannot be used in acknowledgment of the sponsorship with CME materials or in sessions.

“Found a new product (viral inactivation buffer) very important for my research.”
