

CTropMed[®] Examination

Five Years of Clinical Tropical Medicine Experience Documentation for Practice Pathway

Please submit evidence of a minimum of five years of substantial, cumulative practice experience in the field of clinical tropical medicine following completion of residency training.

Substantial practice experience is defined as at least 10 percent of total professional time devoted to clinical tropical medicine in at least two of the following areas:

1. Assessment and management of illness in persons in, or returned from, the tropics
2. Diagnosis and treatment of infectious diseases
3. Health evaluation and treatment of tropical infectious diseases
4. Diagnosis and management of common parasitic infections
5. Pre-travel health advice. Time devoted to pre-travel health advice may be used to account for no more than one-half (5% total professional time) of the total time required for eligibility

Using the form below, please submit your five years of clinical tropical medicine experience. Please upload this form to your exam application.
