ASTMH Clinical Group Internship (2023)

We are seeking an intern with a particular interest in clinical tropical medicine to assist the Clinical Group for the coming year. This paid position would entail assisting with a variety of activities and interfacing with members of the leadership team.

Example duties include:

- Organizing webinars with the Clinical Group council, ASTMH staff, the student-trainee leadership group, and outside speakers.
- Collating clinical scenarios for review by the Clinical Group council and student-trainee leadership group to post on Twitter and/or other social media platforms.
- Coordinating collection of materials to create videos of leaders in tropical medicine and working with a paid editor to ensure completion of videos.
- Helping coordinate and follow up on other tasks as outlined by the Clinical Group (e.g., meetings with other subgroups).

Recommended experience:

- Some clinical experience (as medical student, resident, fellow, etc.) in infectious diseases in low and low-middle income countries.
- Excellent written and verbal communication skills as well as organizational skills.

Additional information:

- We will pay $20 US per hour for a total of 5 hours per week. The position will last for 6 months with the option to extend another 6 months.
- To apply, please send the following to Natasha Hochberg (nhochberg@gmail.com) by January 3, 2023:
  - CV
  - Cover letter, including three strengths that you would bring to this position
  - Name and contact information for one reference
- The accepted individual will be notified by January 17, 2023.
